

LAW NUMBER: 1-24

LAW TITLE: BAN ON SINGLE-USE PLASTIC PRODUCTS

LEGISLATION:

ARTICLE 1 - PURPOSE. This Law aims to protect marine ecosystems, reduce waste in landfills, and minimize plastic pollution by banning the use, distribution, and sale of single-use plastic products within the Union of Progressive Micronations.

ARTICLE 2 - DEFINITIONS.

1. Single-Use Plastic Products: Any plastic item designed to be used once and discarded, including, but not limited to, plastic bags, straws, cutlery, plates, stirrers, and beverage containers.
2. Member States: All micronations that are part of the Union of Progressive Micronations.

ARTICLE 3 - PROHIBITION.

1. The production, import, sale, and distribution of single-use plastic products are banned across all member states.
2. Exemptions may be granted for medical, safety, or other essential purposes if determined by the Union of Progressive Micronations General Assembly.

ARTICLE 4 - ENFORCEMENT. Each member state shall implement measures to ensure compliance with LAW 1-24, and penalties for violations.

SIGNED this thirtieth day of November, Two Thousand Twenty-Four (30th November 2024).
